She's coming by the house this afternoon – daddy's friend!

"My heart keeps beating faster and faster. I have to get changed and clean up my room! Maybe seeing how lovely and tidy I am will make her stay for dinner. Wouldn't it be great if she and Dad fell in love? It's so great when we're together, just the three of us."

A sweet, modern take on the love life of a divorced father as seen through the eyes of his mischievous daughter, wonderfully written by Angela Portella and fabulously drawn by Léa Mazé.
