An illustrated guide toward a bountiful and gender-inclusive sexuality.

Our sexuality is highly influenced by media representations we carry around in our heads, letting them inform our experiences. With this book, illustrator Théa Lymet sets sexuality and relationships free from every outside mandate you've ever heard: your body shape, genitals, gender, romantic status are all normal, beautiful, and deserving of a joyful sexuality.

This book features a great many illustrations of positions, with variations and advice for everyone, as well as abundant romantic and sexual advice for a rich and fulfilling love life. No matter your gender identity or sexual orientation, this book is made for you!
