The poetic, sensual, crossed paths of a man and a woman who had an affair in their youth and are looking for meaning in their lives.

2032. It's been 13 years since Nina and Mick broke each other's hearts. They've each built lives for themselves since then, but the future isn't looking rosy: Nina lives with a powerful man jealous of how attractive she is, while Mick is deling with his wife's depression. The two old lovers don't know it yet, but their paths will cross again... and again. Contemplative moments punctuate their intertwined lives as they muse on disillusion and the aftermath of love.
