Once again, Sybille Delacroix's delicate pencils and subtle use of color artfully, magnificently serve an emotion-packed story.

Elise is tall. Very tall. Too tall to play with dolls. So tall that her head is often in the clouds. And so tall that she's often clumsy. It's hard for her to find her place, at school and at home. She would very much like for people to realize that deep inside, she's still a little girl.
