A wonderful ode to love that transcends all ages.

A game of hide-and-seek is going, which might seem quite ordinary. But through this iconic childhood game, the writing in this book makes a unique declaration of love. While searching for the perfect gift, the narrator decides to give away his heart. Over the course of these pages, he explains how to use this unusual present, its advantages and disadvantages. Until the final surprise at the end of the game, when the identity of the person he's talking to is revealed.

This book features flaps and laser die-cuts that perfectly illustrate the text and bring to life an afternoon in an enchanted garden.
