Discover Romeo the Artichoke and his friends, the Nifty Thingamajigs – ordinary objects with extraordinary lives. For the whole family!

Romeo the Artichoke meets Juliet the praline brioche. Can their love survive the kitchen's rules?

Sweet and savory must never mix!

A highly original remix of the Shakespearean classic *Romeo and Juliet*, a tragedy about Romeo Montague and Juliet Capulet, who love each other despite their feuding families, and meet with a disastrous fate. All ends well with the tale of Romeo the Artichoke, much to the displeasure of Ginette the cookbook!

Easter eggs galore await discovery!

A series for children with knowing winks for adults. Since 2020, 15 titles have been published in the Nifty Thingamajigs series.
