If you've always dreamed of wielding a lightsaber or shrinking your kids, wake up: movies are a load of rubbish!

Don't want to die dumb? Then dive into Marion Montaigne's popular science comic blog, where the famous Professor Moustache dissects the scientific hogwash that your favorite movies and TV series are full of. Science! Maybe it's not Hollywood, but with Professor Moustache, it can be a lot of fun! Because at the end of each piece in this collection, the goal is to have learned a little, but also laughed a lot!

Sales in France: 300,000 copies (for the series)

Awards: Prix du meilleur album de l'année au festival Cyclone BD 2011
