

The Mystery of the Darkroom

Author: Serge Rubin

Publisher : Talents Hauts

Category : Children's Books

Genres : Children's Chapter Books

Keywords : Invention - Cinema - Investigation - Elderly - Drawing

A detective story set in the early days of cinema.

1908: young Clément turns up in Jeanne's life just as the movies, that budding form of entertainment, reach the Atlantic seaside resort town where they live, and the old continent of Europe is swiftly becoming a powder keg. Will the mysterious death of Clément's father alone in his locked bedroom be the spark that sets everything aflame?
