Homo Sapiens: that's us! We've been around for a long time, because 200,000 years is a lot. But in the end, do we really know who we are?

These pocket-sized hardcover educational books tackle subjects as varied as artificial intelligence, sharks, heavy metal, and the history of prostitution. Each volume in the series is written and drawn by a different writer-artist pair. Internationally renowned experts in the fields work with comics luminaries, a unique alchemy that results in unpredictably stunning work every time!
