

The Secret Lives of Farm Animals

Authors: Sébastien Moro (Text) - Layla Benabid (Illustrations)

Publisher : La Plage

Category : Science, Technology, Medicine

Genres : Ecology - Agriculture/Fishing/Breeding

Keywords : Environment - Sustainable city - Androids - Public transportation - Social climbing

Delve into the secret lives of animals: their emotions and perceptions.

Did you know that chickens are outstanding mathematicians and teachers, goats are born adventurers with almost unlimited resources, sheep are talented herbalists, pigs are excellent cartographers, and cows are social networking champions? Don't believe me? Then dive into this book, which draws on several hundred scientific works from the 1980s to the present. It'll change how you see farm animals—forever!
