A revisit of 3 classic tales. An unexpected reading and amused feminist twists. Winks from our contemporary world to the attention of older times...

In a frozen scenery of winter, three well-known tales have been revisited.

Once upon a kingdom, left near a lake and bordered by a forest...

Where Sandre was not a boy but the free Cinderella. Where Beauty confronted a Beast that wasn't and discovered consent.

Where a little boy received a strange Nutcracker for Christmas.

It was time for another time.
