Nico and Ouistiti set out into the jungle for a Carnival like none other!

For Nico and Ouistiti's fifth adventure, set course for: the jungle! Aboard their lion-headed rowboat, our two intrepid explorers set out for the Land of Masks where, according to Ousititi's cousin, a big party is about to happen. But the minute they reach the jungle, a group of masked men capture them and whisk them off to see the Great Sorcerer, who entrusts them with a mission: find the Rainmaker's Mask, recently stolen by a terrible witch. Without a second thought, Nico and Ouistiti accept, though they're scared stiff inside! Still, if they manage to pull it off, the big party will proceed as planned!

An adventure full of twists and turns set in a fantastical and mysterious world, brought to life by tender, funny writing and unfolding panoramic illustrated spreads.
