Let's explore our insides with Dicitis the Bunny Button!

Dicitis is not your ordinary bunny: not only does he hunt down treasures and collect them, he also lives inside... a child's stomach! But by hoarding too many of his discoveries in his cupboard, Dicitis creates a disaster: an attack of appendicitis! A surgeon desperately needs to put out the fire and fortunately, the operation proves a success. More frightened than hurt, Dicitis the bunny vows to behave from now on.
