## On Call

A Nurse's Life

---

Author: Anne Papas

Publisher : Rue de l'échiquier

Category : Humanities and Non-Fiction

Genres : Essay - Science Culture

Keywords : Care - Nurse - Hospital - Job - Chakra

---

A moving and eye-opening account of a nurse's career.

*On Call* sensitively portrays a universally beloved profession whose everyday details remain largely unknown. Training, internships, dealing with difficult patients, salary, talking to loved ones, scheduling shifts... Far from painting a rosy portrait of nursing, Papas dives into deep into daily routine while condemning institutional malpractice, for enabling such crimes as abuse in retirement homes.

This is a story of a working life founded on human relationships. Personal anecdotes highlight the very human nature of a nurse's calling and the lasting personal scars that come from facing constant suffering. A wonderful tribute and insider's view of those involved in this public service.

1,800 copies sold for the large format published in 2017.
