The *Goddamn Factory* trilogy depicts a working class at once resigned and fatalistic yet outraged and rebellious.

In their series *Goddamn Factory*, Efix and Levaray plunge readers deep in the world of workers in a chemical production plant. In *Les fantômes du vieux bourg* [Old Town Ghosts] Efix and Levaray discreetly revealed the fates of those living next door to the factory. In *Tue ton patron* [Kill Your Boss], they portrayed the rage of a people profoundly unhappy with their lot. With *La totale* [The Works], this trilogy came to a unique and unforgettable ending. Now all three volumes are available in a deluxe omnibus edition.
