---

A nonfiction book full of illustrations and useful diagrams to encourage kids to take action, even in small spaces...

Sowing, planting, growing, and harvesting your fruit and veg patch is easy with permaculture! This book for children explains it all: how to get started in the garden, on a balcony, or even on your windowsill, up to your exciting first harvest. Let's garden!

Written by Nelly Pons, the bestselling author of *Débuter son potager en permaculture (To Start Your Permaculture Vegetable Garden)*; 55,000 copies sold in France).
