"From owls to flamingos to tits, birds are graceful and fascinating: lords of sky, wood, and sea, one with nature and freedom's embodiment."

Whether you're a little baby fledgling or a wise old owl, take time to meet the birds by coloring them. Learn all the secrets of the elegant flamingo, the impressive bearded vulture, and the amazing capercaillie! With a bird on every page, organized by habitat, there's no need to be an ornithologist. Celebrate nature's colors and watch them flow from the tips of your colored pencils!

The "Coloring in Nature" collection develops respect for the biodiversity of our wondrous living world by imparting valuable information and allowing readers to express their creativity.
