"Scintillating repartee and an fantastical quest to save the world—what more do I need?"

A strange curse has fallen upon the villagers of Upper Heights, now but shadows of their former selves. Mycena, a young herbalist, tries all the recipes she knows to cure them... in vain! There is one final remedy that might work, but to make it, she must go to the village of Lower Deep, home to her archenemy, Roch the Alchemist. Despite their differences, the two heroes now have a shared mission, and it's a matter of life and death for their fellow villagers.
