"This book will be our best and brightest artistic, literary, editorial, and commercial challenge of 2023. What more could a dad-to-be ask for?"

After the unprecedented and still-growing success of *Maman* (385,000 copies sold worldwide in 32 different languages), Quentin Gréban and Hélène Delforge are back with pen and brush to give dads the treatment they deserve. *Dad* offers up a superb gallery of 31 portraits—every aspect of dads from strength to weakness. Gréban's watercolors, spanning the cultures and eras that inspired him, provide marvelous accompaniment and counterpoint to Delforge's writing. Poetic and inspiring, these portraits will speak to the hearts of fathers past, present, and future.
