"Writer Hubert and artist Bertrand Gatignol reunite for the final volume of this gripping Gothic fantasy saga."

Many years ago, a new race was born: the Ogres. The humans, an inferior race, were forced to submit. Some served their new masters, while others gained the Ogres' favor and reigned over the conquered human lands. The Ogres were at the height of their powers during the reign of the King-God, the biggest Ogre of all time, but after him, decline set in. Will this degeneracy herald the end of the Ogre-Gods' bloody reign?

This fourth and final volume, *Firstborn*, is the story of the Founder's eldest daughter, a lifetime of struggle with unfulfilled ambitions, and the notion of legacy.
