Four heroes, four animals, and a world in ruins.

Faustine and the whale. Kamili and the okapi. Nour and the desert cat. Spider and the spiders.

Four characters discover the extraordinary bond they've developed with an animal and the amazing abilities that come with it. In a world in ruins, eroded by anger, the four youths must join forces to fight a secret and powerful enemy. And learn to have faith in the gift that gives them a strength largely lost: that of empathy.
