"This effervescent novel goes to the heart of everyday worries, in step with its heroine and her quest for joie de vivre!" ~ *Opalivres*

Hi! My name's Sugar Blum, and my life is like a novel:

- my family's out of control
- my imaginary friend is the Prince of the Universe
- I have the best friends on earth
- my drooly dog won't leave me alone

And when things aren't going well, I tell myself stories...  
The Sugar Blum method means looking at the big picture and finding happiness!
