Esther Parmentier, 19, is an unregistered witch. When a very peculiar agency hires her for her first internship, pandemonium is in the cards!

This debut novel from a young and talented new author is a page-turning fantasy spiked with romance, featuring a far from faint-hearted heroine and a plethora of supernatural characters—vampires, werewolves, ghosts—in a suspenseful mystery.

Desard's explosively energetic style combines contemporary references and winning catchphrases, comedically toying with conventions.
