A little gem of black humor with a brilliant, retro visual style.

Following the publication of his latest novel, little-known English writer G. H. Fretwell embarks on a book tour. Nothing goes according to plan, and his trip gradually turns into a nightmare. Fretwell's real troubles begin when he is questioned by the police about a mysterious disappearance. This entertaining, Kafkaesque tale takes a surreal turn as Fretwell's problems start piling up. Nominated in 2021 for the Eisner Award for Best Graphic Album.
