Mystery aboard a 1930s ocean liner!

A tribute to our favorite detectives, from Hercule Poirot to Arsène Lupin: delectably retro and full of humor! Voloj paints a particularly subtle and inspired portrait of emigrants fleeing 1930s Germany during the economic crisis and the rise of Nazism. Chendi's art, bursting with detail, features vintage touches and a sophisticated color scheme halfway between Wes Anderson and Gus Bofa. Keep an eye on this new talent from China!
