How can you find love when you're autistic? A young adult series on love and psychological issues.

Nineteen-year-old Émilie is autistic. She lives with her cat and her grandmother, a gravely ill old lady who encourages her to find someone to share her life with. But for Émilie, who routinely avoids other people because she finds them hard to understand, this will prove quite a challenge. Émilie embarks upon a series of meetings to try to understand how romantic relationships operate.
