Sometimes, having superpowers is anything but a blessing.

As a child, Asmodée was sold by her father to the powerful Queen Berenice. In this kingdom, certain abandoned children have curiously developed extraordinary powers, becoming what are known as Demigods. Asmodée possesses the unique power of shapeshifting. But the queen toys with these children, who have been raised to serve her interests and ensure the city's prosperity. When the Prince of Meridan appears before Her Majesty, the best-kept secret of all is about to be revealed.
