A beautiful picture book about the immense joy of becoming parents!

In the beginning, there was us, your parents.
There was me, your mom. And there was me, your dad.
We met. We loved each other. So much that we didn't
want to be apart anymore.

And then... you arrived.

Through the voices of a gorilla couple, a sensitive
approach for introducing your child to the moments that
preceded their birth, their arrival into the world, and their
first moments of life.
