20 nursery rhymes and lullabies to immerse readers in the musical culture of Ukraine.

This new book and CD set reveals the beauty of Ukrainian folk songs. Some songs are tied to traditions (Christmas and other seasonal celebrations) while others are non-ritualistic (historical or political themes, lullabies, finger plays, etc.), but they are always moving, whether filled with joy or sensitivity. They reflect the everyday lives of the Ukrainian people, their esthetic, and their worldview. These songs were collected from Ukrainian refugees in France, Germany, and Poland.
