Four stories full of tenderness and imagination with an endearing heroine.

In this collection of four stories, little Piloursine plunges us into her funny and poetic daily life, where each day is a fabulous adventure: she goes fishing, heads out on a journey, explores the yard, and celebrates her birthday. Whether she's accidentally catching a mermaid, traveling on a panther's back, growing giant strawberries, or planning the most magical of celebrations, Piloursine knows how to spread joy around her.
