A big-hearted book with imaginative and fanciful illustrations, blending brushstrokes and collage, that delicately explores the subject of adoption.

Alone on his mountain, Émile lives as a hermit. He simply enjoys life, until the day he discovers a sleeping rabbit in his backyard. Listening solely to his heart, Émile invites him to stay for a while. As the days go by, a close relationship develops between the little rabbit, who had neither parents nor a name, and his host... Has this lost child found a home?
