A few seconds is all it takes to crumble, a night all it takes to get back up, a lifetime all it takes to recover.

This is the story of Gabriel, an effervescent rebel; Agathe, a carefree party girl; Alex, the perfect student; and shy, awkward Sarah. It is also, above all else, the story of Eden, whose aura is enough to make up for her muteness. It is the story of a secret, actions that shouldn't have been taken, which lead to an inconceivable event. In the space of one night, time stops and five lives turn upside down. This novel tackles very tough topics with subtlety, tinged with highly-strung feelings carried by plenty of humor and accuracy.
