Basic Bespoke Patterns

Chest, Sleeve, Skirt, and Slacks: Creation and Alteration

Author: Teresa Gilewska

Publisher : Eyrolles

Category : Practical Books

Genres : Fashion/Arts and Crafts

Keywords : Sewing - Dressmaking - Roma people

A step-by-step guide to creating basic bespoke patterns for chest, sleeve, skirts, and slacks, from taking measurements to a finished pattern.

Whether you're a first-year dressmaking student, or an amateur dressmaker looking to get into pattern-making, this book will enable you to create your own patterns on your own. Precise, highly detailed instructions will help you understand the role and importance of each chalk line and the methodical sequence of steps to be followed. You will also learn to make your own basic patterns and adapt them to various body shapes. Last but not least, you will find out how to make your own alterations (flaring out a skirt, changing the shape of a sleeve, etc.).
