The origins of the conflict of October 7, 2023 between Israel and Gaza. The underside of the geopolitics at stake.

October 7, 2023: how can we decipher the information appearing daily about this conflict? How can we understand the entirety of this new chapter in History playing out before our eyes? Therein lies the talent of Gilles Kepel, who offers us everything we need to understand the situation. His works have been translated in many countries and have consistently met with success. Thanks to his reputation and knowledge, his works serve as a reference and a solid base for researchers and students.
