

## Philosophy of Daily Life

An Inner Adventure in 70 Questions

---

Author: Tania Sanchez

Publisher : Eyrolles

Category : Humanities and Non-Fiction

Genres : Philosophy

Keywords : Philosophy - Analysis - Thoughts

---

For all those who want a daily dose of philosophy.

Why should something ordinary have less value than something that only happens once? This book is an opportunity to use our everyday experiences to be astonished and to avoid spending our lives thinking the same thoughts over and over again. On this philosophical stroll, we meet objects and places from everyday life that make us question our relationship to the world, others, and ourselves.
