An innovative political initiative to drive progress for women's rights in Europe. By Choisir, the movement created by Gisèle Halimi.

How can women benefit from the construction of Europe? Gisèle Halimi and other women have decided to take the most advanced laws in a country on a given subject, and ensure that these laws apply to all women citizens of Europe. Today, these militants have decided to act to drive progress and change laws. This book features the second package of laws most favorable to women in the EU. It was simultaneously published in English.
