The Tragedy of Growth

Author: Gilbert Rist

Publisher : Presses de Sciences Po

Category : Humanities and Non-Fiction

Genres : Economics - Ecology - Sociology

Keywords : Austerity - Environment - Common goods - Degrowth

How do we turn society around and cure ourselves of our addiction to growth?

We can all easily grasp that infinite growth in a finite world is impossible, yet it is just as easy for us to act as if that were not true. To turn society around and heal us of our addiction to growth, we must restore the notion of the commons and public amenities; rehabilitate reciprocity; be done with debt; and resume our dialogue with nature.
