The wild true story of cyber-era commerce, crime, cold hard cash, and one of the greatest heists in history.

The true story of the humble-to-hot commodity, from the former geek website that launched the boom to an inside world of absent-minded CEOs, hucksters, hackers, cybercrooks, drug dealers, corrupt federal agents, evangelical libertarians, and clueless techies. You'll discover Bitcoin's connection to the infamous Silk Road, learn why hell has nothing on Japan's criminal justice system, and get the lowdown on the high cost of betting with the devil's dollars. All this, for less than the price of a single bitcoin!
