The culinary coming-of-age story of a young man in search of his destiny.

Ulysse Ducerf is destined for a brilliant future: the prestigious École Polytechnique and then, one day, taking over the family's cement factories. At least that's what his father wants, until he is caught up in serious accusations: ten years earlier, his father's company allegedly contributed to the German war effort. The family moves to Burgundy, where Ulysse meets a gruff and secretive man. Crossing paths with Cyrano and fine cuisine will change Ulysse's life forever...
