

Evening Comes, Little One

Authors: Céline Claire (Text) - Florence Guittard (Illustrations)

Publisher : Gautier-Languereau

Category : Children's Books

Genres : Picture Books

Keywords : Bedtime - Animals

With tender scenes and a parade of cute baby animals, this book is perfect for gently guiding littles ones through bedtime rituals.

From brushing teeth to reading one last story and finally going to sleep, all the little bedtime rituals are presented here in chronological order, as the light gradually fades and night falls on each double-spread page. Little ones will fall in love with all the adorable animals and, hopefully, with the tasks at hand as well.
Ongoing series.
