A murder has occurred at the museum! The reader must dive into the case to solve it. An immersive investigation, just like a mystery game.

A murder has occurred, and the reader has no choice: it's up to them to uncover the truth. Who is the culprit? What's their alibi and method? The young investigator must gather clues, piece them together, and figure out what happened. Interrogations, police reports, evidence, and even computer screens are woven throughout the pages, brought to life with a meticulous and engaging design.
