---

What would you do if your hand bumped into a hairy little monster in the dark?

Victor is a very brave boy... or at least, that's what he likes to make people believe! But ever since he moved into his new house, strange noises have been worrying him. One night, he discovers a hairy monster, far more frightened than he is, hiding under his bed! Together, they embark on a mission: to uncover who is making the stairs creak...
