20 speeches from men and women who made history!

There are many ways to fight for what you believe in. Speaking out is one of them. Indeed, some speeches have left their mark on world history thanks to their power and content.

From political leaders to activists, men and women have used their words to motivate resistance, defend peace, inspire belief in a fairer society, and fight for a better future respecting the planet.

Relive the great events of recent history with twenty essential speeches in a graphic format and discover why they still resonate today.
