The choice of Mathilde Barrois-Fischer, Foreign Rights Director

"This book traces the fates of 100 lost, stolen or destroyed works by Van Gogh, Klimt, Warhol, and many others."

Did you know that a major collection of artworks disappeared in the ruins of the World Trade Center bombing? Or that 53 paintings by Japanese-Brazilian painter Manabu Mabe were lost when a Boeing crashed into the Pacific Ocean in 1979? In this book, embark on a quest for a hundred missing treasures by the world's greatest artists, from classical antiquity to the Italian masters to our contemporary era.
