### The choice of Guillaume Griffon, Publisher

"This nonfiction picture book is my pick, because it lays out the major concepts of astrophysics in a very simple way, through a funny story full of comparisons that will speak volumes to children."

*The Sun and You* is part of an imprint of funny, easy-to-understand picture books that will make readers fall in love with the planets and discover everything there is to know about them and the galaxy. Other titles in the collection include *The Moon and You* and *The Galaxy and You*.
