"A gentle and reassuring picture book to help prepare children for the big moment of starting school."

In the forest, summer is coming to an end, and at the home of the Prettytwigs, a family of raccoons, it's time to get ready for the new school year. Lucette is excited, but her little sister Jeannette is a bit worried because tomorrow is her first day of school... ever! She has a TON of questions. During a walk in the woods, Lucette takes advantage of the calm and the beauty of their familiar surroundings to reassure her little sister and remind her that she'll always be by her side. There's nothing like a big sister to ease your nerves during your first day at school!
