The choice of Delphine Gervais, Foreign Rights Manager

"A rich, gourmet world tour of chocolate!"

This book tells the incredible story of the cacao tree and the humankind's ingenuity in transforming its fruit into a beverage, initially reserved for the elite, and then made a universal product accessible to one and all. It reveals the secrets of chocolate making from bean to bar, as well as its many by-products, each more tempting than the last, or else for use in recipes. Magnificently illustrated with remarkable color plates, it takes the reader on a tour of a particularly rich and delicious world!
