"Oh no! Daddy's 100 kittens have disappeared into the night! How will he find them? A new, adorable picture book by Peggy Nille." ~

Madly in love, Mr. and Mrs. Cat decide to have kittens. One or two would be perfect. But Mrs. Cat gives birth to 100 little ones! Looking after them all is lots of work! One night, the little kittens chase a mouse out of the woods, past where they're allowed to venture. Daddy Cat doesn't want to worry Mommy Cat, so he heads off alone to look for them. Will he find all the kittens before Mommy wakes up?
