Violet Ténébris might be a witch, but she's unlike any other witch you've ever known!"

Violet Ténébris is the princess of the Dark Kingdom, but she still hasn't found a familiar yet! Without one, she can't use her powers. She only has three days left to find one before her 16th birthday if she wants her people to finally accept and embrace her. They think she's too weird, colorful and eccentric to ever rule. So she decides to break the rules of ancestral magic and go looking for her familiar herself, despite all the potential dangers of such a quest.
