All books in the My Other Self series start from the same place: users' needs and tailoring guidance to meet them.

My Other Self is a series of books that take an action-oriented approach to learning. Each lesson presents a highly contextualized educational scenario that promotes class interaction and cooperation, a "Practice" section with reusable exercises, a "Review" page devoted to grammar and vocabulary. The "step-by-step approach and guidance make preparing and giving lessons easy. This pedagogical method is enhanced by supplementary activities and resources called "Class +" that enable teachers to personalize and enrich their offerings.
